1. Horses and ponies shown in-hand or ridden must be 15 years old or over.
2. All horses and ponies must be in a sound and healthy condition. Any veteran showing signs of distress or lameness will be asked to leave the ring. The judge's decision of lameness of a horse/pony is not protestable.
3. The Society does not accept any liability for any accident, injury, loss, damage or illness to any riders, handlers, spectators, horses, ponies or to any property whatsoever and howsoever caused.
4. All membership, showing and dressage cards will be signed by the VHS Secretary and shall remain the property and copyright of the Veteran Horse Society.
5. Equine passports must always accompany the horse/pony when travelling and competing and must be produced on request.
6. All personal membership will run annually from 1<sup>st</sup> January to 31<sup>st</sup> December.
7. Show cards run annually for the showing season and are valid until the final day of the National Veteran Championships in that season.  
i.e. 2020 showing cards are valid from 1<sup>st</sup> October 2019 - 4<sup>th</sup> October 2020.
8. Dressage cards run annually for the dressage season and are valid until the final day of the British Dressage Associated Veteran Horse Championships.
9. All membership/registration fees are non-refundable.
10. Please be aware that dope testing may take place at any show affiliated to VHS. The rules and policies of the show will take precedence over VHS rules.
11. All competitors in VHS affiliated classes must have valid public liability insurance, covering the veteran that they are competing. Personal insurance cover is also strongly recommended.
12. Excessive use of whips/showing canes or misuse of any equipment will result in immediate exclusion from the show ring. Membership will be revoked with immediate effect and no refund will be made.
13. Remedial shoeing is permitted and will not be penalised, providing the horse/pony is sound.
14. A show may only amend scheduled classes and/or judge(s) with prior approval from VHS Head Office and must provide public notification of the changes by website, social media and/or notices at the event. Unapproved changes will invalidate any qualifications provided at this show.

## GDPR TERMS & CONDITIONS

15. Entries to VHS affiliated classes are to be made directly with each show. By entering a VHS affiliated class, competitors consent to results including their name and their veteran's name being listed on the VHS website.
16. Online entries to the National Veteran Championships are made using a third party which is GDPR compliant, these terms and conditions are available on their website.
17. The VHS will hold your personal information within our systems for an indefinite period as a unique membership number is used for the rider/handler, not the horse. Paperwork will only be held for 2 years if membership is not renewed or additional information added.

## B. WELFARE

1. Competitors are discouraged from travelling or competing any veteran that has undergone any major illness or surgery within the past 6 months. Should they wish to travel and compete, written consent from the treating veterinary surgeon must be given stating that the veteran is fit to do so.
2. The Judge will ask the competitor to leave the ring should the welfare of the veteran, handler/rider or any other competitor or official be compromised.

3. In extreme weather, the Judge may stop the class at any point. It is advised that in extremely hot conditions, the veteran may be offered natural cover in the ring if this is available and competitors may remove their jackets, provided riders have long shirt sleeves and handlers have shirt sleeves covering shoulders as a minimum. In heat of 35 degrees or more it is expected that the Judge may cancel the class for the welfare of the veterans. This however, is by decision of the Judge on the day. In severe wet or cold conditions protective rugs may be worn in the line-up. Grooms will be permitted to enter the ring to place the rugs over the horse/pony, and must be appropriately attired.
4. If any horse is deemed to have welfare issues, Judges must consider suspending the class if imminent harm is feared. If the judge is of the opinion that there is a welfare issue with an exhibit, be it in relation to size/weight of either equine, rider/handler or any combination; or another welfare issue, the judge will mark their score sheet accordingly and may disqualify the competitor. There is no appeal against dismissal from the ring for welfare reasons.

### C. SHOWING GUIDELINES.

A person who earns finances from a general equine career does not apply i.e. riding school, livery, instructor etc.
